Percentage Daily Values are based on 2,000 calories diet, 2000 calories a day is used for general nutrition advice, but calorie needs vary.

The nutrition information Harkins Theatres® has provided is based on standard product formulations. Calories for fountain beverages is based on full flush fill levels without ice. You should expect some product variations and nutrient content variations which may occur based on regional differences, ingredient substitutions, seasonal conditions, differences in product production at the store, and supplier. Some items listed may not be available in all theatres. This list may not include test products, limited time offers, and regional menu variations.

Please be advised that Harkins Theatres® products may contain or come in contact with common allergens (milk, eggs, fish, shellfish, tree nuts, peanuts, soybeans, wheat and sesame), or food sensitivities from a manufacturing facility and preparation on site.

The Allergen information Harkins Theatres® has provided is based on standard product formulations. Product variations may occur based on regional differences, ingredient substitutions, seasonal conditions, differences in product production at the store and suppliers. Some items listed may not be available in all stores. This list may not include test products, limited time offers, custom orders and regional menu variations.
