STEP 2 Begin Your Fundraiser

Option 1: Have A Presale

Run a presale and sell items at retail value (the same price items are sold in theatres). Once the minimum order requirement is met, you may purchase the items at the school rebate price by submitting the *School Order Form*.

- Utilize the *Student Order Form!* This form is for your use only and should not be submitted to Harkins. Fill out the gold section at the top of the form and make copies to distribute to your students.

Option 2: Purchase In Advance

Purchase the minimum quantity up front by submitting the *School Order Form*. Sell from your own inventory and replenish when your stock runs out. If you choose this method, please note that we do not accept exchanges, returns or issue refunds for any unsold/unused product.

STEP 3 Submit Completed School Order Form

- Complete the *School Order Form* by combining the information collected from the individual student orders using the *School Summary Form*.
- Submit the completed *School Order Form* to the Harkins Theatres Support Office (via email, fax, or mail) with total payment. Payments must be submitted using a credit card, check or purchase order (must be on Harkins' approved PO list).
- Orders require up to two business days for processing prior to shipping or pickup.

NOTE: All items included in your order must meet the minimum order requirement for your school to receive the instant rebate. If the minimum is not met, items may be purchased at the full retail rate.

STEP 4 Distribute Items

Verify items received match your order receipt before distributing.

Digital products are not eligible for instant rebates.

Earn money for your school by purchasing Harkins merchandise!
Complete this order form and return it with full payment to your *School Fundraising Organizer*.
